_____ I am willing to judge at 2 or more tournaments (you choose ones that work in your schedule). We will train you how to judge.

Takes attendance, monitors and assists students, watches the team's personal belongings during tournaments and releases students at the end of the day. Home Base Parent arrives early to tournament and stays until last student has been picked up. This is also a great "share activity" with another parent.

My child, _____ has my permission to stay in for lunch/recess by appointment (December) and after school every Tuesday from 3:15-4:15pm (January/February) for Forensics when school is in session. **I will make arrangements to have my child picked up promptly at 4:15pm. I will also plan to arrive at least 15 minutes early to pick up my child from meets.** My child and I have discussed the fact that by joining the HA Forensics Team, he/she is obligated to attend as many practices and events as possible. We understand this commitment and he/she is excited and willing to join the team.
